Thank You messages to choir:

Dear First Voice Choir,

On behalf of our family, we thank you so much for your love, your prayers, and your support during Mom's recent illness and passing. I hope that you know how much joy that you brought to Mom each Sunday as she basked in the glory of your music. It was such an important part of her worship and her life, and you gave her great pride in being a member of FBC. She bragged often about the "extraordinary talent" and the "beautiful sound" of the choir and the music ministry. Thank you for the important role that you played in her worship life, and for the support that you provided to our family with your meals, your cards and visits, and your prayers.

Love, Mike, Candy and Carter Jackson

First Voice Choir and Orchestra,

Words can't adequately express my gratitude for the countless prayers and words of encouragement over the last sixteen months. Watching my sister's condition deteriorating wasn't easy. Those who know me know-I'm a fixer. But I couldn't fix my sister's health. That was a God-sized mission. And His ultimate choice was not to fix her but to grant her His mercy and He called her Home! She's not in pain any longer and is breathing without difficulty now in her "wholeness" in Heaven for eternity!

Your prayers are still coveted for me, the family, and especially my mom as she moves into assisted living in Brooksville. She loves the facility and that makes the transition easier.
