A Note From David

This evening Larry Wissinger will lead a combined choir and orchestra rehearsal...All in the sanctuary. You will work through the coming weeks "specials."

Many thanks to Larry for leading out tonight! He has served as a minister of music and public school band director in years past. We are blessed to have him and Anna Maria as a part of our family.

We are having a wonderful time at student camp in beautiful Rome, Georgia. Shorter University is a great Baptist institution and a fun place to have camp! Pray for James and his leaders.
