

FIRST BAPTIST BRANDON MISSIONS FIRST OFFERING

Over the years, First Baptist Brandon has faithfully supported many different mission offerings. The Lottie Moon Christmas Offering and the Annie Armstrong Easter offering both support the ministry of Southern Baptist missionaries through the International Mission Board (IMB) and North American Mission Board (NAMB). We have also promoted offerings for the Florida Baptist Children's Home, Project Jerusalem (TBBA, Feed the Bay, Gift of Hope, Truckstop Ministries), Global Hunger Relief, Florida State Missions and FBC Brandon Missions Trips.

These seven offerings resulted in a continuous offering promotion every month throughout the year. We feel it will be more beneficial to group our missions offerings together in a seasonal format – Lottie Moon (at Christmas), Annie Armstrong (at Easter) and **MissionsFirst** (Summer).

The **MissionsFirst** Missions Offering will supply funding to these five offerings: Florida Baptist Children's Home, Project Jerusalem (local missions), Global Hunger Relief, Florida State Missions, and FBC Brandon Missions Trips. In 2017, you gave \$57,000 to these five offerings.

Therefore, we have set a **Challenge goal for 2018 of \$60,000.**

In addition, Pastor Tim would like to see our church "go" on more mission trips in Florida, North America, and around the world. He would love to see hundreds of our adults and students going on mission for the glory of God! God's heart is for the nations, so our giving and our going go hand in hand.

In order for us to grow and expand our missions outreach, we need the people of FBC to give... and to go. Will you help us fund new ministry endeavors into south Florida and the world? We can accomplish much when we **do it together!**

Our Missions Committee has set a **Victory Goal of \$80,000.** These extra funds given over the Challenge goal will be used to fund the ministry expenses of new and exciting mission endeavors. Let's reach for this **victory together!**
